

SuccessFactors Recruiting Management Administration

Introduction

This one day training course uses the concepts and terminology associated with the SuccessFactors Recruiting module to help you develop a working knowledge for use in implementing your recruitment strategy. You will gain basic skills in how to use the SuccessFactors Recruiting Management as a System Administrator and learn how to use basic tools for managing recruitment in your organisation.

Content

Duration: 1 day

Goals

- Setup the recruiting system.
- Manage the recruiting process.
- Understand the use of recruiting agencies.
- Configure the system using the admin tools.
- Configure recruiting email templates.
- Understand recruiting reports.

Prerequisites

SuccessFactors Foundation Course

Applicable Certification

SuccessFactors System Administrators responsible for providing support for system usage, modifying settings, managing companywide settings and providing permissions for users of the Recruiting Management Module.
